INTERNSHIP DESCRIPTION

Solomon Cordwell Buenz

We are currently accepting summer intern applications. Check out our work @ www.SCB.com and watch the SCB Video on why our colleagues love working here.

General

SCB is looking for Student Interns to join one of the architectural studios and assist architectural teams in all phases of building design. The assigned tasks will include such skill sets as physical model building, 2D CAD drafting, 3D CAD model building and rendering, data collection and product research. The Student Intern will be exposed to all phases of design from Schematic Design through Construction Administration.

Essential Skills/Attributes

Works effectively in a team atmosphere with a willingness to learn. Supports the project and studio team constructively at all times.

Performs Other Duties as Assigned

Attends Studio and Firm events.
Assists in preparation of educational activities.

Qualifications

Completed a minimum of 4 years undergraduate study, or 2 years graduate study in pursuit of professional degree in Architecture.
Proficient in AutoCAD, and Revit drawing programs. Familiarity with graphic illustration software programs such as 3D Studio Max, and Adobe Photoshop, Illustrator, and In-Design

Good presentation, graphic, verbal and written communication skills

Please submit your CV, portfolio and letter to the following email: <http://www.scb.com/careers/>
Use your IIT email address when sending your information.

SCB is an equal opportunity employer and supports talent from diverse backgrounds that bring experiences, viewpoints and solutions that best serve our clients, community and enrich our work environment. Women, minorities, individuals with disabilities and active duty wartime, campaign badge veterans or Armed Forces service medal veterans are encouraged to apply.
